

# GOODRICH TABLE TENNIS CLUB

**Goodrich Table Tennis Club** is based at Goodrich Village Hall and welcomes players of all ages and playing standard. We have four top quality 25mm tables. There is no club membership fee; all sessions operate on a pay-as-you-play basis.

Regular sessions are as follows

## **Monday mornings including bank holidays 10.00 – 12.00**

This is a popular and sociable session mainly involving doubles games. As it is held during working hours it is particularly popular with older players but there are no age limits. Players range from beginners to competitive league standard. Just find your old trainers and turn up. Beginners' bats are available to borrow. £3 per week including tea and coffee.

## **Sunday evenings, 5.30 to 7.00**

These sessions are aimed at juniors and families and run most weeks but check first before attending. Coaching up to intermediate standard is available and promising juniors are invited to join league games to play competitively. Parents who do not wish to play may still be required to remain at the hall for junior sessions, depending on numbers attending each week. £1 per session per player.

## **Thursday evenings, 7.00 onwards**

During the winter league season, this is the home match night for teams entered in the Hereford League. When there are no matches scheduled, experienced players are welcome to join team practice sessions. £3 per session, please check we are open before turning up
